

# Code of conduct in the context of COVID-19

## Keelboat sailing

### ON LAND

**Wear a mask before/after boarding** and during the preparation of the boat and equipment. Provide replacement masks if necessary.

**Disinfect the boat** and wash your hands before boarding.

**Make as many of the preparations as possible at the dock**, with the least number of people possible and while wearing the mask.

If the weather conditions are not conducive to physical distancing, **cancel the outing**.

**Limit the number of crew on board** so that the 2-meter physical distancing is possible..

**Reduce the race course and race time (or sailing time)** to ensure that the cumulative period of time the physical distancing requirement if 2 meters is broken is less than 15 minutes.

**As much as possible, keep the same crew**, especially if several outings/regattas are in the same week.

**Everyone is responsible for their personal safety:** if you don't think you can respect the 2-meter physical distancing requirement and limit the cumulative breaking of the requirement to less than 15 minutes, do not participate in the proposed activity.

**SOYEZ PRUDENTS !**

La Fédération de voile du Québec - voile.qc.ca

**Prohibit access to the cabin** to anyone who does not live under the same roof as the owner or primary user.

**Only board the boat at the last minute** and only for the duration of the regatta (or sailing outing).

**As much as possible, avoid being downwind** of crew-member.

**Limit the cumulative time of maneuvers** that break the physical distance requirement of 2-meters to less than 15 minutes.

Owner or primary user: **keep a log of sailing outings, their duration, the crew members and their telephone numbers.**

**Modify maneuvers and movement** on the boat to reduce the amount of time the 2-meter physical distance requirement is broken to a minimum.

**SOYEZ PRUDENTS !**
